

Chain attachments

Chain attachments are a convenient and low cost way to secure a padlock whilst it is not in use. They are particularly useful when there are multiple users of the same padlock.

The following SQUIRE products are available with chain attachments:

Laminated	35C 37C 39C
Combination	CP50 SHCB65 SHCB75
Stronghold	SS50S SS50CS SS65S SS65CS SS50P5 SS50CP5
