

urban™ range

Squire's 'd' locks are a popular choice for those seeking a high security product and the reassurance of Sold Secure approval. In particular Squire's Urban Paramount™ offers Sold Secure gold status, proving it can withstand five minutes of attack. Even the lower cost locks in the Urban 'd' lock range have achieved Sold Secure bronze and come with Squire's own security rating number 12. All cycle locks come with a carrying bracket which conveniently attaches to the bike frame and holds the lock securely in place while on the move.

The locks are modern, attractive and easy to use. They come with 4, 5 and 6 pin tumbler mechanisms and 1000's of key differs offering significant extra security.
