

## Lion Range

Solid brass padlocks premium grade

The Lion range offers a superior level of security for indoor and outdoor use. Constructed with a thicker body section than the Leopard range, it comes with a larger diameter shackle and more key differs.

**Available keyed alike and master keyed.**

### Recommended for

Lockers, luggage, toolboxes, sheds, garages, gates, greenhouses, boats etc.

### Rustproof

LN4S and LN4S2.5 are available with stainless steel shackle.

### LN5 also available in value packs

### Available in colours for easy identification for keyed alike suites

Guaranteed 1500 key differs on pinnable LN3, LN4 and LN5 (available to special order). For use in schools and other applications where key duplication is a problem.
