

Stronghold® Locks and chains

SS65CS/TC4 and SS50CS/TC4

- 14mm diameter hardened boron alloy steel square link chain
- 65mm (SS65CS) or 50mm (SS50CS) solid hardened steel body
- 6 pin tumbler anti-pick lock mechanism gives over 250,000 key differs
- Available in 1200mm length
- Anti-corrosion finish

SS50CS/TC4

SS65CS/TC4

SS65CS/TC3 and SS50CS/TC3

- 14mm diameter hardened boron alloy steel square link chain
- 65mm (SS65CS) or 50mm (SS50CS) solid hardened steel body
- 6 pin tumbler anti-pick lock mechanism gives over 250,000 key differs
- Available in 900mm length
- Anti-corrosion finish

SS50CS/TC3

SS65CS/TC3

SS50CS/G4 - SS50CS/G6 - SS50S/G3

- 10mm diameter hardened boron alloy steel chain
- 50mm solid hardened steel body padlock, open and closed shackle versions.
- 6 pin tumbler anti-pick lock mechanism gives over 250,000 key differs
- Available in 900mm, 120cm and 180cm lengths
- Anti-corrosion finish.
