Stronglock Pin Tumbler - Steel

The new rugged range of double deadlocking and ball-locking pin tumbler laminated steel padlocks deliver premium quality performance and an excellent choice of standard shackle, long shackle and closed shackle versions. They are available keyed alike and masterkeyed.

Recommended for

Sheds, garages, lockups, gates, toolboxes, lockers, vans and storage areas.

Hardened steel shackle

Double deadlocking and ball-locking

Covered steel padlock body with anti-corrosion finish

4 Pin tumbler lock mechanism gives over 1000 key variations

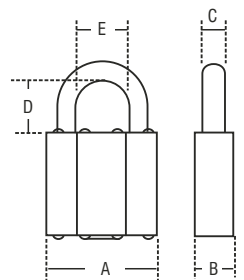

Also available in the range - Coloured Padlocks

Colour coded padlocks are ideal in any situation where quick and easy identification is important. Individual workers or departments can be assigned their own ID colour. Keyed alike locks can be identified easily using a coloured padlock.

Dimensions

Stronglock Pin Tumbler - Brass

Rustproof, marine padlocks

Rugged laminated brass padlocks with stainless steel shackles offer a good level of security and rustproof qualities that make them ideal for use in marine and harsh outdoor environments. They are available in standard, long shackle and closed shackle variants and are available keyed alike and masterkeyed.

Recommended for

Boats, sheds, gates, coastal areas, vans and lock ups.

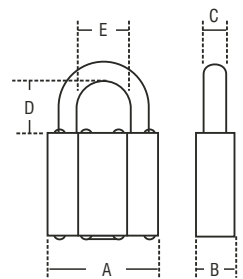

Chain attachments

Chain attachments are ideal for securing the padlock to a fixed object like a gate post, whilst the padlock is not in use and when there are many users of the padlock. This avoids losing or damaging the padlock. Available on 45SS and 49SS standard and long shackle padlocks.

Rustproof
